

OPAC

SCHS Online Catalogue Guide

Created: Nov. 23, 2016

Updated:

OPAC (online public access catalogue) is our online library catalogue which allows you to easily browse our collection without having to look through the shelves. This website will also link you to a number of useful databases, social media, and helpful PDF tutorials.

The following guide outlines the tools and functions available on the site.

How to find OPAC

1. Go onto the [SCHS website](#)
2. Click on “Our School”
3. Click on “Library”

4. You will be redirected to the web page shown below
5. Click on the link to OPAC

Library

Due to the modernization of SCHS our library collection is currently in storage to preserve our materials. We look forward to the completion of our new Learning Commons. In the mean time, library staff is working on perfecting our online presence to give students the best access to materials needed for learning, as well as, giving them the necessary digital literacy skills needed in the work force and post secondary.

OPAC (Sturgeon Library catalogue)

- SCHS Library's catalogue
- Online Resources (Online Reference Center and more)
- Connect to Social Media!

Ms. Hill welcomes all citation and research questions. Mon. - Fri. 8:30AM - 3:20PM
