Media Consent Form

This form asks if your child can be interviewed, filmed or recorded by media outlets that have been invited to the school.

The Division invites media to our schools to help share stories about school events, programs, goodwill initiatives or students. When possible, the school will notify parents when media will be on site.

Media requests are carefully considered by the Communications department and the school principal before being approved. Schools need consent from parents/guardians before allowing media to interview or take photos, videos or audio of students at non-public events. This consent is only required if students could be interviewed, videotaped or photographed with their faces clearly shown.

News media reporting may include interviews with students, as well as photographs, video or audio to be shared in newspapers, magazines, radio or television programs, and online posts for websites or social media. The media coverage may be digitally manipulated, published, broadcast, re-broadcast or sold to other media outlets.

Consent for Release – Parent/Legal Guardian or Independent Student/Adult

I am the parent/legal guardian of the student named above or independent student/adult. I have read and understand the information provided on this Media Consent form. I give The Sturgeon Public School Division permission to include my child or myself in the media coverage and its use as described above.
